

# Discover God's Character

## A to Z

### Psalms Study

*Journey through the Psalms and discover for yourself  
who God is and what He does  
using the alphabet as your guide*

**Discover God, The A to Z Psalms Study** is your personal hand-written description of God as revealed in the book of Psalms. With index cards and a Bible, you create a convenient reference guide for personal or group times of study, worship, and encouragement. The **Discover God** method stimulates personal Bible Study and is an easy tool for children, teens, and adults to begin a journey of uncovering the goodness of God for themselves.

#### It's Simple to Begin:

Use 26 ruled index cards. Write one letter of the alphabet in the top right corner of each card. Punch a hole in the opposite corner and bind cards together with a ring or ribbon. Use this card as the front cover.

Start with the first chapter and systematically read through the book of Psalms looking for words and phrases that describe who God is and what He does.

List what you discover about God's character and actions on the corresponding A to Z card along with the scripture reference.

For example, the "R" card would read:  
Refuge - 7:1; 11:1; 14:6  
Rock - 18:2; 71:3  
Restores my soul - 23:3
