

Guide to Prayer Walking

Prayer walking is one of the most effective and valuable tools we have found for committing your NBS to God's supernatural power and purposes, trusting in His promise in Joshua 1:3, *"I will give you every place where you set your foot."* Lift your neighbors to Christ through prayer walking as you walk and/or drive through the streets of your neighborhood.

Make a plan to begin prayer walking on a regular basis.

Pray for people by name when possible, asking God to give you opportunities to serve, give, and build relationships with them. Prayerfully follow through.

Pray for God's blessings and protection on each home and family.

Pray that God would open hearts and create a hunger to know Him.

Pray for homes that are for sale

- Remove and keep out all evil
- Move in those hungry to know Christ
- Move in and raise up vibrant believers to join your study

We are Christ's ambassadors in our neighborhoods. God has a purpose for where you live! Scripture tells us in Acts 17:26-31 that God not only determines the times we are to live, but also the places where we live, work, and play. You are Jesus "with skin on" to your neighbors. Remember the most loving thing you can do for your neighbors is to pray for them and introduce them to Christ.
